STUDYNET

GROUP company continues to publish a monthly newsletter and presents to your attention the sixth edition!

IN THIS E-MAGAZINE you can easily find the latest updates from universities around the world, our new partnership announcements, the benefits that will bring to StudyNet students, scholarship opportunities and virtual events offered by high-ranking universities, and many more.

OPEN TO A WORLD OF POSSIBILITIES

IFP GRADUATES BRIGHT FUTURES

Our International Foundation Program students are already graduated with high scores.

More than 25 StudyNet IFP 2022/2023 Graduates are now completing their pathways and enrolled in high-ranked universities all over the World. If you also want to pursue your future and build a strong career through high-quality education but do not meet the entry requirement of the program, you are welcome to apply to the IFP program.

In our latest issue we talk exactly about the IFP program, structure, opportunities and many more. You can find IFP student's testimonials in our latest issue below.

Quick questions

What qualifications and grades do I need?

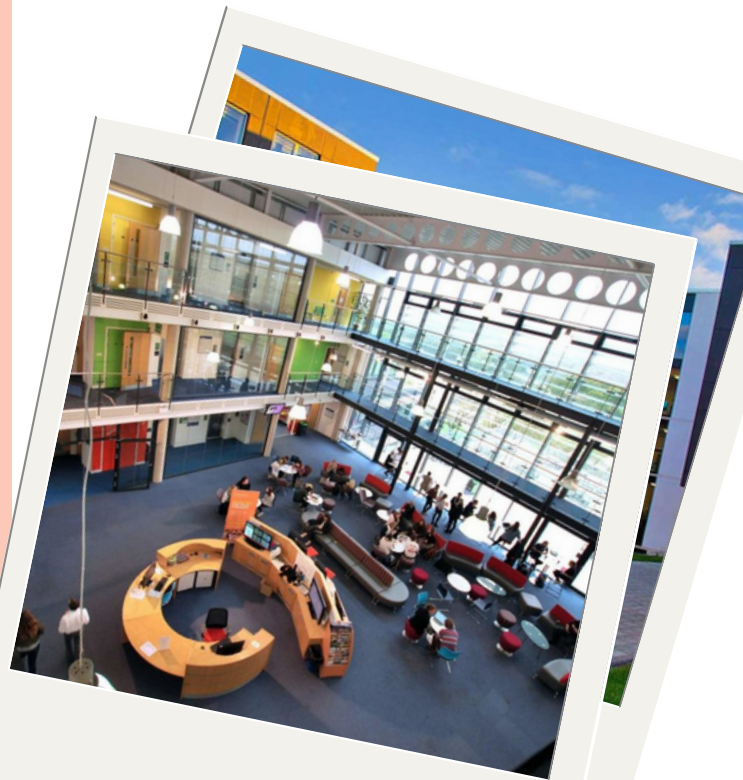

The qualifications and grades you need vary according to the degree you apply for. Basic requirements for Bachelor's degree: Passport, IELTS, HS Diploma, Motivation Letter, Foundation Certificate

When do I need to apply?

Timing and application strategy are key in selective admissions, and applying in the early round can improve the chances of getting an acceptance letter.

Am I going to fit in high-ranked universities?

Yes, you will. No matter who you are or where you come from, you are welcome to benefit our several services. We will gladly assist you through your admission process and guide you toward the educational pathway you seek.

Join us at StudyNet Group to enjoy a plentitude of benefits aside from several services which greatly aid in your advancement regarding higher education.
