## THE INTERNATIONAL FOUNDATION

**YEAR** is one of the best and most successful of its type in the country. For more than 7 years we have been helping high performing students to realise their ambition of studying at the University. We have been welcomed more than 100 students with the vast majority going to graduate with the UK Universities undergraduate degrees.

## WHAT IS THE INTERNATIONAL FOUNDATION YEAR?

The International Foundation Year is 3 term programme which fully prepares you for entry onto your bachelor's degree programme. It has several intakes every year.

# WHAT WILL I STUDY?

You'll be given full and comprehensive orientation into university life. From the moment you start your course a personal tutor will support your academic and personal development to help you get the most out of your time. Regular and structured meetings will aid you not only to do well in your studies, but also to become a more confident, articulate and highly employable graduate.

## **TEACHING AND MENTORING**

Foundation Year students enjoy small classroom sizes and individualized guidance. Triangular supervision through our experienced staff, a personal academic advisor, and a senior student mentor assures optimal chances for success: courses are taught by a team of highly qualified instructors who are experienced in creating a dynamic and interactive academic learning environment for students from diverse backgrounds.

# WHICH PROGRAMMES CAN I PROGRESS TO?

*When you successfully complete the International Foundation Year, you will progress onto one of more than 130 different Bachelor's degree programmes.*

Depending on your chosen programme of study, you'll enrol onto one of our 6 foundation year routes:

- **ARTS**
- **BUSINESS**
- **DESIGN**
- **ENGINEERING**
- **SCIENCE**
- **JOINT HONOURS**

**STUDYNET GROUP INTERNATIONAL FOUNDATION YEAR** guarantees all students who pass with the required grades progression onto Bachelor's degree programmes.

#### **GUARANTEED ADMISSION**

Due to the Studynet Group International Foundation Year's strong support structures, an outstanding 95% of all students succeed in graduating from the bachelor programs on time.

## BUSINESS

It will offer you the chance to develop business skills through teaching methods focused on hands-on, interactive learning through case studies, enhance your academic English, and learn core business features, including management skills, marketing and international business.

## LAW

It will help you to acquire a strong, critical approach to real-world problems specific to language and education skill levels, as well as be allowed ample opportunities to reflect upon your learning.

## SOCIAL SCIENCES

You'll be introduced to professional skills, research and critical thinking skills, numerical skills, and critical reflections on global issues in the social world. Lectures, labs and tutorials will give you a broad understanding across all subjects.
