## SPOTLIGHT ON NEWS

The StudyNet Group Company continues to publish a quarterly E-zine and presents to your attention the second edition!

For the upcoming period, we continue to provide full support to the students who are dreaming of studying abroad. Applications for the September 2022 intake are now open for most of the programs and universities.

Besides, as in previous years, we are offering summer classes for high school students as well as for adults. This is a great opportunity to improve your language skills in an international environment, as well as gain new academic and life skills.

## INTERNATIONAL FOUNDATION PROGRAM

We kicked off the new academic year by welcoming our Fall intake students in September 2021.

The Induction Week was guided by our Administrative Manager. Over the course of the week, all new learners were successfully introduced to our center and began their classes.

Now more than 25 students are taking the Foundation program at our center under the guidance of professional mentors.

## SPECIAL ANNOUNCEMENT

Over the years, StudyNet Group has always strived to offer suitable educational paths and viable programs that can help people better navigate their lives and their future. And now, having become an official partner and an authorized Pearson PTE center in Baku, we continue our mission.

The Person Test of English (PTE) is a portfolio of language-based computer tests which uses AI technology to provide the most unbiased and secure proof of candidates' English skills for university, professional, and migration applications.

Everyone can easily take PTE in our center for various purposes.
